7. The Board of Directors' statement on salaries and other remuneration of senior executives

Reference is made to the statement adopted by the Board of Directors on 8 March 2018 included in note 15 on page 96 of the 2017 Annual Report.

A consultative vote shall be held on the Board's statement on senior executives' salary and additional remuneration for the coming financial year. The guidelines for share-related incentive arrangements for the coming financial year are binding and are subject to voting by the general meeting.

The advisory and binding guidelines are subject to separate voting.

Advisory guidelines

The Board of Directors proposes that the general meeting resolves as follows with regard to the advisory guidelines:

- 1. The general meeting endorses the advisory guidelines in the Board of Directors' statement on the determination of salaries and other remuneration of senior executives in accordance with § 6-16 a) of the Companies Act.*

Binding guidelines

The Board of Directors proposes that the general meeting resolves as follows with regard to the binding guidelines:

- 2. The general meeting approves the binding guidelines in the Board of Directors' statement on the determination of salaries and other remuneration of senior executives in accordance with § 6-16 a) of the Companies Act.*

8. Authorisation to acquire own shares to carry out a share scheme and long-term share incentive scheme

The Board of Directors ask the general meeting for an authorisation to acquire the company's own shares with a total nominal value of up to NOK 500,000, equivalent to up to 0.27% of the company's share capital, at a maximum purchase price of NOK 100,000,000.

The purpose of the share buy-back is to make use of own shares in connection with a share purchase programme for all employees in the Entra-group and a long-term share incentive scheme for members of the senior management of the Entra-group.

The Board's proposed share purchase programme, as well as the proposed long-term incentive scheme for members of the senior management, are available at the company's website www.entra.no.

The Board of Directors proposes that the general meeting resolves as follows:

- 1. The general meeting authorises the Board of Directors to acquire shares in the company with a total nominal value of up to NOK 500,000, equivalent to up to 0.27% of the company's share capital, to a maximum purchase price of NOK 100,000,000.*
- 2. The lowest and highest price to be paid per share is NOK 10 and NOK 200, respectively. Within this range, the board determines the price and at what time such shares may be purchased. The authorisation may be used one or several times.*

3. *Shares may be acquired with the purpose to carry out the share purchase programme for all employees in the Entra group and the long-term share incentive scheme for members of the senior management of the Entra group.*
4. *The company's acquisition of own shares shall be carried out on a stock exchange or otherwise at the stock exchange price and in accordance with generally accepted principles for equal treatment of shareholders. Own shares may be disposed of in accordance with the purposes as set out in item 3 above, or on a stock exchange or otherwise at the stock exchange price, and to the extent generally accepted principles for equal treatment of shareholders are complied with.*
5. *This authorisation shall be valid from the annual general meeting on 20 April 2018 until the annual general meeting in 2019, but will in all cases expire on 30 June 2019.*

9. Authorisation to acquire shares in Entra ASA in the market for subsequent cancellation

The Board of Directors ask the general meeting for an authorisation to acquire the company's own shares with a total nominal value of up to NOK 3,674,649, equivalent to up to 2% of the company's share capital, at a maximum purchase price of NOK 734,929,800.

The buy-back of own shares will benefit shareholders as the remaining shares will hold a higher share of ownership in the company. The rationale for the proposed authorisation is to grant the Board of Directors of Entra ASA the possibility to utilise the mechanisms pursuant to the Companies Act with regard to distribution of capital to the company's shareholders.

Repurchase of shares is conditioned on such shares being subsequently cancelled following a reduction of share capital to be resolved at a subsequent general meeting. Furthermore, repurchase and cancellation of own shares are conditioned on the Norwegian Government's ownership in Entra ASA not being reduced as a result of such repurchase. For these purposes, at the general meeting where such cancellation is to be resolved, a proposal to redeem parts of the Government's shares will also be made in order to maintain the Government's share ownership following completion of any repurchase as set out above. As of the date of this notice, the Norwegian Government owns shares equivalent to 33.4% of the outstanding share capital in Entra ASA. Accordingly, the aggregate redemption could (depending on the final number of repurchased and cancelled shares) involve up to 1,227,388 of the shares held by the Government.

The Board of Directors' proposed authorisation is subject to Entra ASA and the Norwegian Government, acting through the Ministry of Trade and Fisheries, entering into an agreement under which the Ministry undertakes to vote in favour of the resolution regarding authorisation to acquire own shares, subsequent cancellation of such shares, as well as redemption of the corresponding number of the Government's shares.

The Board of Directors proposes that the general meeting resolves as follows:

1. *The general meeting authorises the board to acquire shares in the company with a total nominal value of up to NOK 3,674,649, equivalent to up to 2 % of the company's share capital, at a maximum purchase price of NOK 734,929,800.*
2. *The lowest and highest price to be paid per share is NOK 10 and NOK 200, respectively. Within this range, the board determines the price and at what time such shares may be purchased. The authorisation may be used one or several times.*
3. *This authorisation may only be used in relation to cancellation of the company's own shares through a reduction in capital, cf. section 12-1 of the Companies Act.*
4. *The authorisation shall be valid until the next annual general meeting, but will in all cases expire on 30 June 2019.*

10. Authorisation to distribute semi-annual dividend based on the approved financial statements for 2017

The company's cash flow is highly stable and has a high degree of predictability. The Board of Directors considers that this should be demonstrated through the company's dividend policy, by further positioning the Entra share as a stable dividend share, combined with growth in profits, underlying values and dividend capacity. For these purposes, the Board proposes to pay dividend on a semi-annual basis.

The Board of Directors proposes that the general meeting resolves as follows:

1. The general meeting of Entra ASA authorises the Board of Directors to approve semi-annual dividend distributions based on the company's financial statements for 2017. When using the authorisation, the Board of Directors shall ensure that the resolution to distribute dividend is in line with the company's approved dividend policy. Before a resolution on distribution of dividend is made, the Board of Directors shall assess whether the company, following such distribution, will have adequate equity and liquidity.

2. The authorisation is granted pursuant to section 8-2 (2) of the Companies Act and is valid until the next annual general meeting, but will in all cases expire on 30 June 2019.

11. Approval of remuneration to the auditor for 2017

The Board of Directors proposes that the remuneration to the company's auditor, Deloitte AS, of NOK 1.215.000 ex VAT is approved.

12. Remuneration of the Board of Directors, members of the Audit Committee and the Remuneration Committee

Reference is made to the recommendations of the Nomination Committee which is available at the company's website www.entra.no.

15. Remuneration of members of the Nomination Committee
